

# All I've Got to Give

Emma Forman

Your demands of me are too high  
The stress I can longer hide  
I'm sorry but I won't be back this time  
Cos I gave you all I've got to give  
there is nothing left to give you anymore  
oh, I gave you all I've got to give  
but it is still not enough for you  
The pain you inflict is too cruel  
You're tearing me to shreds  
with every word you say  
And I gave you all I've got to give  
there is nothing left to give you anymore  
oh, I gave you all I've got to give  
but it is still not enough for you  
The anger in your eyes shines through  
I know often speak about leaving you  
but this time I'm really going to go  
Cos I gave you all I've got to give  
there is nothing left to give you anymore  
Yeah I gave you all I've got to give  
but it's never enough for you  
Yeah I gave you I've got to give  
there is nothing left to give you anymore  
Oh, I have you all I've got to give  
but it is still not enough for you  
oh it is never enough, Oh never enough  
it is never enough for you  
Oh it is never enough, oh never enough for you  
its never enough for you  
I gave you I got, I gave you I got, I gave you all I got to give  
but it is never enough, never enough for you
