

# I Want You (feat. After 7)

## Babyface

Don't need no conversation.  
Won't waste my time to explain it.  
You know just how I feel 'bout you, don't you?  
Don't need no confirmation.  
You know what I'll be thinking.  
I've always had a thing for you, just for you girl. Girl I've seen beautiful but none like you before.  
Can't take this anymore so that's it this the last thing  
that I do. I will be with you.... Cause I want you... I want you....  
I want you.....baby.....I want you girl.....  
and all there is of you.....  
Every part of heart.  
I want you and I want you ho ho ho~There's definitely no mistaken.  
I'm running out of patience.  
I'm done anticipating you,  
I want you girl.  
You heart, your mind, you soul, your body, and the mind control. (After 7)  
At this point there is nothing that I won't do for you... baby. Girl I've done beautiful but none like yours before.  
Not waiting anymore.  
Well if this is the last thing that I do,  
I'm gonna be with you Cause I want you... I want you....  
I want you.....baby.....I want you girl.....  
and all there is of you.....  
Every part of heart.  
And I want ya and I want ya  
and I want you to want me too  
and I want ya and I want you..... baby Now baby if I fail to mention,  
then I got the best attention  
then I will be your to the end of time.  
I want you, I want you.  
I WANT YOU GIRL I WANT YOU I WANT YOU. I want you I want you I want you.....  
I want you girl (want you to be my girl)  
and all there is of you. Every part of heart.  
And I want ya and I want ya.....Spawit
