

# Out Of Jail

## Waylon Jennings

Long before the screen door slammed  
She was out of Xenia  
A stranger could have loved that town  
But she had to leave  
I wish I'd gotten to know her before I fell in love  
I could say, "Who's to blame?"  
Say, "Who's the man in this cautionary tale?"  
But I swore I'd be true and I'll swear and I'll swear  
'Til Kitten's out of jail  
It was like a TV show  
The way she stole that car  
Easy now to criticize  
Easy now to talk

I thought my luck was changing, I guess I was wrong  
I could say, "Who's to blame?"  
Say, "Who's the man in this cautionary tale?"  
But I swore I'd be true and I'll swear and I'll swear  
'Til Kitten's out of jail  
Didn't want to be a slave  
Just turned out that way  
I wish I'd gotten to know her before I fell in love  
I could say, "She's to blame"  
Say, "She's the man in this cautionary tale"  
But I swore I'd be true and I'll swear and I'll swear  
'Til Kitten's out of jail
