

Life Begins At the Hop (First Recording)

[XTC](#)

I have learnt there's a magical spot at the hop
Come with me to the church on the corner the hop
There's nuts and there's crisps and c-c-cola on tap
A good time had by those boys and those girls at the hop
Tell me what do you say
Tell me what do you say Life begins at the hop, boys and girls
Prepare yourself for the boys in the band at the hop
The cheap guitars, there too young for the bars at the hop
We'll jive around, make fools of ourselves and then stop
We're back next week with another ridiculous tie knot
Tell me what do you say
Tell me what do you say Life begins at the hop, boys and girls
Tell me what do you say
Tell me what do you say Life begins at the hop, boys and girls
Now I have learnt there's a magical spot at the hop
Come with me to the church on the corner the hop
There's nuts and crisps and c-c-cola on tap
A good time had by those boys and those girls at the hop
Tell me what do you say
Tell me what do you say Life begins at the hop,
Life begins at the hop,
Life begins at the hop,
Boys and, girls
