

Not Surprised

[Greg Laswell](#)

Well hello again, my old friend
It's been a long while
since I've seen you
You know I changed my address and my phone
How'd you find me here?
I keep going over it I'm not surprised
Never really said goodbye
I'm not surprised You know I up and met the love of my life
I'll introduce you
I expect her home around 9
You know I changed my address and my phone
How'd you find me here?
I keep going over it
Again and again
I'm not surprised
Never really said goodbye
I'm not surprised
