

# Push Me Shove Me (Milton Keynes 1990)

## Erasure

Push me, push me over  
Motion always seemed to me the way I ought to go  
No one now gets in my way, I won't let my heartache show  
The same situation won't bring me down no more  
I'll get on without you now, I don't need your help for sure  
Push me, shove me  
I don't call that love me  
I call that over  
There was once a time when I would fall for all your lies  
Now I know the game you played, I see it clearly in your eyes  
You can't cry beside me, I won't let you in my heart  
I can walk out on my own, it's high time we moved apart  
Push me, shove me  
I don't call that love me  
Push me, shove me  
I don't call that love me  
I call that over  
Over, over, over  
You say talk it out, I say it's all one big mistake  
Cut so deep it's hard and it's the chance I have to take  
I don't need to follow, I wanna face love on my own  
Emotion, oh emotion, from now on that's how it goes  
Push me, shove me  
I don't call that love me  
Over  
Push me, shove me  
I don't call that love me  
I call that over  
Call that over  
Call that over  
Call that over
