

# Ringer

## The Unlikely Candidates

She's a ringer  
Put a ring  
Put a ring  
Put a ring around her finger  
Put a ring  
Put a ring  
Put a ring There's a lady  
Got a lot of ambition  
Shady's  
My intuition  
Says she's a doctor cuz she's got the pills  
She's just a ringer that lives in the hills  
So crazy  
Don't know if I can trust her  
Lately  
She's taking like a hustler  
She could me the American Dream  
I'd do anything for her to marry me She's worth her weight in gold  
But one thing I know She's a ringer  
Put a ring  
Put a ring  
Put a ring around her finger  
Gotta know  
Gotta know  
Gotta know (x2) She's a lady  
Gonna be richer than her daddy  
Thirsty  
She's sipping on a forty  
Her love is free but it won't come cheap  
She'll rob all the boys if their shit's too weak  
She told me  
Her love is like the dollar  
Greedy  
But I'll never really have her  
She won't be my American Dream  
Won't wear my ring  
She said it won't fit me She is worth her weight in gold  
But one thing I know She's a ringer  
Put a ring

Put a ring  
Put a ring around her finger  
Gotta know  
Gotta know  
Gotta know (x2)She looks so hungry to me  
With her golden teeth  
Will I ever be enough  
Move or she might knock you out  
Only 5 foot 3  
The world won't be enoughShe is a ringer  
Put a ring  
Put a ring  
Put a ring around her finger  
Put a ring  
Put a ring  
Put a ringShe's a ringer  
Put a ring  
Put a ring  
Put a ring around her finger  
Gotta know  
Gotta know  
Gotta know (x2)Put a ring  
Put a ring  
Put a ring around her finger (x2)
