

# Don't Think Twice, It's All Right

Joan Baez

Well, it ain't no use to sit and wonder why, babe  
If you don't know by now  
It ain't no use to sit and wonder why  
It don't matter anyhow When your rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm travelin' on  
But don't think twice, it's all right And it ain't no use in turnin' on your light, babe  
That light I never knowed  
And it ain't no use in turnin' on your light  
I'm on the dark side of the road Still I wish there was somethin' you would do or say  
Make me wanna change my mind and stay  
We never did too much talkin' anyway  
Don't think twice, it's all right And it ain't no use in callin' out my name, babe  
Like you never did before  
And it ain't no use in callin' out my name  
I can't hear you anymore I'm a-thinkin' and a-wond'rin' all the way down the road  
I once loved a woman, a child I'm told  
I give her my heart and she wanted my soul  
But don't think twice, it's all right I'm going down that long, lonesome road, babe  
Where I'm bound, I can't tell  
But goodbye's too good a word, babe  
So I'll just say fare thee well I ain't sayin' you treated me unkind  
Could have done better but I don't mind  
You just kinda wasted my precious time  
But don't think twice, it's all right
