Work It Out

Tye Tribbett

Ahey3x
Doesn't matter what the problem
God will work it out
Any type of situation, He will work it out
I don't have no doubt
God will work it out
Work it, work it out
Work it, work it, work it outWinter, spring, summer, fall
Trouble keep coming out of nowhere
Doesn't have respect at all (Ahey!)
Somebody going through it somewhere (Aye)
Wondering watcha gonna do
Wondering if you go'n make it
Wondering how long I'll take it
And will you ever get through
Can't see the light of day nowhere
