It Ain't Easy

Ratt

Somebody look me over
Somebody let me know
Please tell me if I'm still here
Why can't I be alone?I know you're still breathin'
'Cause you're still bleedin' me
Turn it off and fade to black
'Cause I don't wanna seeShow me now what you've been thinking
Tell me what you know
I don't think that I will let everybody knowIt ain't easy bein' me
There's nothin' wrong as far as I can see
It ain't easy it's a long way home
'Cause I'm already too far gone
'Cause I'm already too far goneI found out the hard way
You know I had to laugh
You know we've come a long, long way
I had to take a chanceLeave me here or let me go
Never recognize
Sometimes I can't leave it alone
It's one more reason to tryIt ain't easy bein' me
There's nothin' wrong as far as I can see
It ain't easy it's a long way home
'Cause I'm already too far goneIt ain't easy bein' with me
There's no way out as far as I can see
It ain't easy it's such a long way home
'Cause I'm already too far gone
I said I'm already too far gone, yeahEvery night I crawl back home
No one answers me
Sometimes I can't be alone
To tell you that youwant meIt ain't easy bein' me
There's nothin wrong as far as I can see
It ain't easy it's a long way home
'Cause I'm already too far goneIt ain't easy bein' with me
There's no way out as far as I can see
It ain't easy it's such a long way home
'Cause I'm already too far gone
'Cause I'm already too far goneSomebody look me over
Somebody let me know
Please tell me if I'm still here

Why can't I be alone
