Worry Worry Worry

The Three Suns

Worry, Worry, Worry, love is passing me by
()
Worry, Worry, Worry, love is passing me by
Worry, Worry, Worry, i'm so painfully shy
Oh, the guys get all the kisses
Why am I the one who misses
Worry, Worry, Worry,
Why always me
Baby, Baby, Baby, i'm a fool about love
Maybe, Maybe, I should go to school about love
When it comes to gettin' chummy
I'll admit i'm quite a dummy
Worry, Worry, Worry
Why always me
I've found out that i'm the worrying kind
I go worrying right along
Life is fine, but with a worrying mind
So many things can go wrong
Worry, Worry, Worry, should i hold her so tight
Worry, Worry, Worry, am I kissing her right
She said: "Joe, it's you I'll marry."
"I'm not Joe, my name is Harry."
Worry, Worry, Worry
Why always me
