

Masturbates

Mindless Self Indulgence

Death With the... The The x2

Death... with... the...

here we go(x4)

Right gun

Chuck it (x4)

television is good, but it is not the best...

'cause nothing beats the feel of your fucking

breast- it's so good... and so bad... and so large.

Masturbation is good, but it is not the best. Cause nothing beats the touch of your clitoris- it's so wet... and so round... and so deep.

Death with the..(x4) Right gun

I'm thinking im'a masturbate, i know (x3)

I'm thinking im'a Masturbate, masturbate, masturbate... nothing but sweat
inside my hand

masturbation is good, but it is not the best.

Cause nothing beats the feel of your giant ass- it's so big... and so round... and so fat.

Death with the(x4)

right gun

Im thinking im'a masturbate, i know(x3)

Im thinking im'a masturbate, masturbate, masturbate
nothing but sweat inside my hand

Chuck it(x4)
