

# Soldier of 3 Armies (Sabaton Cruise 2014 1st Set)

## Sabaton

Started out as a reserve  
Soon promoted when deserved  
And the legend has begun With a bounty on his head  
The red army wants him dead  
Soviet enemy number one Cross of Mannerheim  
Addicted to the war game  
Never-ending flame  
Victory reclaimed Oh, we remember, we remember, we remember Shout, Lauri Törni's name  
A soldier of three armies knows the game  
Keeps their echo from the past  
Rise from beyond your grave  
Son of Finland and the Green Beret  
May you rest in peace at last  
Lauri Allan Törni Across the water a new start  
War still beating in his heart  
A new legend has been born Started out as a reserve  
Soon promoted when deserved  
Changed his name to Larry Thorne Cross of Mannerheim  
Addicted to the war game  
Never-ending flame  
Victory reclaimed Oh, we remember, we remember, we remember Shout, Lauri Törni's name  
A soldier of three armies knows the game  
Keeps their echo from the past  
Rise from beyond your grave  
Son of Finland and the Green Beret  
May you rest in peace at last From the Finnish lakes  
Into Germany and USA  
All the wars he came across  
Cross of Mannerheim  
An iron cross, a bronze star, purple heart  
One distinguished flying cross Shout, Lauri Törni's name  
A soldier of three armies knows the game  
Keeps their echo from the past  
Rise from beyond your grave  
Son of Finland and the Green Beret  
May you rest in peace at last  
Lauri Allan Törni
