Live A Little

Gym Class Heroes

Can you feel the urgency?
Like a needle pullin' out
Can you feel the urgency?
Doses of anxiety
We're just faces in the crowd
Doses of anxiety
Oh, are these the lives
That we were taught to believe?
Are these the lives
That we've opted to leave?
Uh oh, uh oh
Staring at the clock
I hear its ticking tock
And they whisper that I've lost the race
But I won't fuckin' stop
I want you by my side
I need you here tonight
'Cause' if we're gonna lose this thing
We're goin' out in style
Time replace reality
Now we are peeping through the hours
Time replace reality
So I grasp for sanity
I refuse to be devoured
So I grasp for sanity
Oh, are these the lives
That we were taught to believe?

Are these the lives
That we've opted to leave?
Uh oh, uh oh
Staring at the clock
I hear its ticking tock
And they whisper that I lost the race
But I won't fuckin' stop
I want you by my side
I need you here tonight
'Cause' if we're gonna lose this thing
We're goin' out in style

Staring at the clock
I hear its ticking tock
And they whisper that I lost the race
But I won't fuckin' stop
I want you by my side
You know I need you here tonight
Because' if we're gonna' lose this thing
We're goin' out in style
Staring at the clock
I hear its ticking tock
And they whisper that I lost the race
But I won't fuckin' stop
I want you by my side
You know I need you here tonight
Because' if we're gonna' lose this thing
We're goin' out in style
