

Lucy Blues

Uriah Heep

Well, the very first time
I saw you, darling
Not one single word
Would come to my lips Yes, the very first time
I saw you, darling
Not one single word
Would come to my lips You see, I was so afraid
You wouldn't love me
I wanna tell you right now, yeah
I was frightened right down to my fingertips So baby, when you went away
That unlucky day last September
I was like a little lost boy
In the wilderness Baby, baby, baby, baby, baby, baby
When you went away, oh, oh, oh, yeah
I was like a little lost boy
In the wilderness And I've just been sitting here
Thinking of everybody, I've ever known, yeah
Well, you know, I still love you the best
Yeah, the best
