Hole In My Hand

Benjamin Francis Leftwich

See the marker stone, see the heavy load
See the burden on my head hum
See I can?t move on with my lantern gone
I need you only friend to shine in me
And I?m not afraid to show my heart
I?m not afraid to let you start in my life again
With a hole in my hand and a strength to my stand
With a flame in my heart, burnin' me again
With a hole in my hand and a strength to my stand
With a flame in my heart, burnin' me again
With a hole in my hand, with a hole in my hand
See the ropes are long and they hold on strong
To tie me to the end gone
See I can?t move on with my freedom gone
I need you only friend to set me free
And I?m not afraid to show my heart
I?m not afraid to let you start in my life again
With a hole in my hand and a strength to my stand
With a flame in my heart, burnin' me again
With a hole in my hand and a strength to my stand
With a flame in my heart, burnin' me again
With a hole in my hand, with a hole in my hand
And I?m not afraid to show my heart
With a hole in my hand and a strength to my stand
With a flame in my heart, burnin' me again
With a hole in my hand and a strength to my stand
With a flame in my heart, burnin' me again
With a hole in my hand, with a hole in my hand
With a hole in my hand, yeah
