

Thanatology

Dismember

Auschwitz infamous labor camp
 Realm of the living dead
 Systematic method of destruction
A thousand souls ablazeAnd as they die
 Jews, Gypsies and Homosexuals
Learn that "Arbeit macht frei"Brutally effective
 High efficiency murder industry
 Removing the unproductive
 To achieve the aryan objective
 Weeding out the worthless
 Eradication of the unwanted
 No mean too extreme
To keep the Reich cleanAnd as they die
 Cripples, Retards and Criminals
Learn that "Arbeit macht frei"Brutal acts of infamy
 Never fading memories
 Sadistic hate campaign
In the pages of history[Lead: Sahlgren]Feed the fires with the unworthy
 Purity decides their fate
 Victims of Nazi science suffer
Even to this dayAnd as they die
 Victims of the holocaust
Learn that "Arbeit macht frei"
