Wasting Time

The Briggs

I? ve touched down and made a landing
I know what I must do
I know truly where I? m standing
I? m sure that living without you ...
? s just wasting timeTime? s up and i? ve got the answer
It? s you and there? s just one way to go
With you life i will remember
As beautiful and if it? s no:
It? s wasting time
Chorus:
I? m wasting the days
It? s something stronger than pride
I wanna be with you
Can? t help it, put it aside
And the days go by
Not having what I
Always dream at night
No you? means a shade of blue
On the things I do
Wasting timeToo long thinking nothing else now
Too many circles through my mind
I? m missing a lot here somehow
So many things are still and blind
I? m wasting timeChorus
There is nothing whole, no nothing without you
Wasting TimeChorusWasting time
