Right Round

Pitch Perfect

You spin my head right round, right round
When you go down, when you go down downYou spin my head right round, right round
When you go down, when you go down downHey, walk out that house with my swagger
Hop in there with dough, I got places to go!
People to see, time is precious
I looked at my Cartier, out of control.
Just like my mind where I'm goin'
No women, no shorties, no nothin' my clothes
No stoppin' now, my Pirellis on froze
I like my jewelry that's always on cold
I know the storm is comin'
My pockets keep tellin' me it's gonna shower
Call up my homies, it's on
Then popin tonight cause it's meant to be ours
We keep a fade-away shot
'Cause we ballin' this Platinum Patron every hour
Lil mama, I owe you just like the flowers
Girl you the truth with all that goodie powerYou spin my head right round, right round
When you go down, when you go down downYou spin my head right round, right round
When you go down, when you go down downFrom the top of the pole I watch her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down down
From the top of the pole I watch her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down downShorty must know I'm the man
My money love her like a number one fan
Don't open my mouth, let her talk to my fans
My Benjamin Franklins
A couple of grands, I got rubber bands
My paper planes makin' her dance
Get dirty on like the spot on my hand
We buildin' castles that's made out of sand
She's amazin', fire blazin'
Hotter than Cajun, girl won't you move a lil' closer?
Time to get paid, it's maximum wage
That body belong on a poster
I'm in a daze, that body is wavin' at me

Like, "Damn it, I told ya"
You wanna show like a gun out of holster
Tell me whatever and I'll be your chauffeurYou spin my head right round, right round
When you go down, when you go down downYou spin my head right round, right round
When you go down, when you go down downFrom the top of the pole I watch her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down down
From the top of the pole I watch her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down downI'm spendin' my money, I'm out of control
Somebody help me she takin' my bank roll
But I'm king of the club and I'm wearin' the crown
Poppin' these bottles, touchin' these models
Watchin' they asses go down downYou spin my head right round, right round
When you go down, when you go down downYou spin my head right round, right round
When you go down, when you go down downYou spin my head right round, right round
When you go down, when you go down downYou spin my head right round, right round
When you go down, when you go down down
