Upper Room

Wzrd

(Verse 1)
This is important, yes
So please turn it up, real loud
I got a question and I need you to answer, now
If you walked in my shoes, would you survive??
If you said yea then I'mma call you a lie
You see, I don't believe you would
Most people are pussies
Scarred to be what God had made them to be

(Chorus)
Theres someone way up in the sky look out for all of us
Yeaaaa mmhhmmm
I don't believe in miracles
I do believe in fate, I do believe in destiny

(Verse 2)
This is important, yes
So please turn it up, if you can
I have matured so much, the boy has became a man
Finally I can say, I'm feelin' proper
No need to worry, I'm a happy new me
Because I know

(Chorus)
Theres someone way up in the sky look out for all of us
Yeaaaa mmhhmmm
I don't believe in miracles
I do believe in fate, I do believe in destiny

Most people are pussies
