Could be

Alex Schulz

Could be, it is my mistake
Could be, that I'm here too late
Could be, there's a hole in my wonderful worldI know, that there's something wrong
You said, that you'd be along
But now, I can see that you're not gonna comeSitting in this room with these people
It's just like a fantasy
Loneliness in such a crowd, I can seeCould be, it is my mistake
Could be, that I'm here too late
Could be, there's a hole in my wonderful worldEveryone I meet seems to be a part of the conspiracy
Looking at me with those searching eyes
Can they see?Could be, it is my mistake
Could be, that I'm here too late
Could be, there's a hole in my wonderful worldIn my world
Ooh in my world
