

Frustration

Crime

Frustrated and ya shoot it up my way
Transfusion when you're movin' down a highway
Love the way ya scream and cheat and beat your guitar
Everybody says you've taken it too far
WellFrustrated baby I'm gonna move on you
Frustrated honey and I know what'cha do
I see your face nearly every day
All you hippies can fade awayDouble trouble for Mad Dog Colonel
Philadelphia and you do the stroll
Seen ya in your alley Mustang Sally
Take you home and they shoot you upWell
Frustrated baby I'm gonna move on you
Frustrated honey and I know what'cha do
I see your face nearly every day
All you hippies can fade away
