When Doves Cry

Quindon Tarver

How can you leave me standing
Alone in a world that is so cold?
Maybe Im just too demanding
Maybe Im just like my father, too boldMaybe I'm just like my mother
Shes never satisfied
Why do we scream at each other?
This is what it sounds like when doves cry
Yes, they cry, oh they cryHow can you leave me standing
Alone in a world that is so cold?
Maybe Im just too demanding
Maybe Im just like my father, too boldMaybe I'm just like my mother
Shes never satisfied
Why do we scream at each other?
This is what it sounds like when doves cry, yeah, yeahThis is what it sounds like
This is what it sounds like
This is what it sounds like, oh ah, oh ahDream, if you can, a courtyard
An ocean of violets in bloom
Animals strike curious poses
They feel the heat, the heat between me and youMaybe youre just like my mother, maybe
Shes never satisfied, shes never satisfied
Why do we scream at each other?
This is what it sounds like when doves cry
Yeah, yeah, ooh, doves cryYou know that they cry
You know that they cry
You know that they cry
You know that they cryHow can you leave me standing
(You know that they cry)
Alone in a world thats so cold?
(You know that they cry)Maybe Im just too demanding
(You know that they cry)
Maybe Im just like my father, too bold
(You know that they cry)Maybe I'm just like my mother
(You know that they cry)
Shes never satisfied
(Shes never satisfied)Why do we scream at each other?
(You know that they cry)
This is what it sounds like when the doves cry
