The Love Of God

Gaither Vocal Band

The love of God has been extended
To a fallen race
Through Christ the savior of all men
There's hope in saving graceThe love of God is greater far
Than gold or silver ever could afford
It reaches past the highest star
And covers all the worldIt's power is eternal, eternal
It's glory is supernal, supernal
When all this earth shall pass away
There'll always be the love of GodIt goes beneath the deepest stain
That sin could ever leave
Redeeming souls to live again
Who will on Christ believe, will believeOh, the love of God is greater far
Than gold or silver ever could afford
It reaches past the highest star
And covers all the worldHis power is eternal, eternal
His glory is supernal, supernal
When all this earth shall pass away
There'll always be the love Of God, precious love of God
