

# The Love Of God

## Gaither Vocal Band

The love of God has been extended  
To a fallen race  
Through Christ the savior of all men  
There's hope in saving graceThe love of God is greater far  
Than gold or silver ever could afford  
It reaches past the highest star  
And covers all the worldIt's power is eternal, eternal  
It's glory is supernal, supernal  
When all this earth shall pass away  
There'll always be the love of GodIt goes beneath the deepest stain  
That sin could ever leave  
Redeeming souls to live again  
Who will on Christ believe, will believeOh, the love of God is greater far  
Than gold or silver ever could afford  
It reaches past the highest star  
And covers all the worldHis power is eternal, eternal  
His glory is supernal, supernal  
When all this earth shall pass away  
There'll always be the love Of God, precious love of God
