

Rise Of The Tyrant

Arch Enemy

The end is near, panic is closing in
Sick with fear, they run
Watch freedom's fall
What have we become? Cannon fodder
Reign of terror, enslave the nations, devastation
This is war, pull the trigger
One nation under their control
Rise, the tyrants rise
The enemy inside, the tyrants rise
The end is here, feel it closing in
Blood runs red
Watch in horror, our lives destroyed
We failed
The final holocaust
Enslave the nations, annihilation
This is war, pull the trigger
One nation out of control
Rise, the tyrants rise
The enemy inside, the tyrants rise
War, pain, suffering
The price we pay to stay alive
Blood, fire, death
His glory come, his kingdom rise
This world will burn, burn, burn, burn
Rise, the tyrants rise
The enemy inside, the tyrants rise
