Loving Gone Forever

U-Roy

How could you say that my loving has gone forever
When you and I are supposed to stick together?
Just like a birds of one feather
Why baby ina ina [Incomprehensible]Boy, I love you but your loving has gone forever
No you don't know what you're talking about baby
Boy, I miss you but your loving has gone forever
My love don't gone nowhere foreverSo baby girl, how could you have said you were gone
Who once sweet loving does not be gone
Just started baby, to have some fun
So baby, won't you tell me really what is wrong?Boy, I hate to say goodbye
(No, no, no, don't say that)
'Coz I don't wanna hear you cryYou promised you would never let me down
(What people don't do it?)
But if you love me you're not there
(I would never do it to you like that, you know?)
That you will stick aroundBoy, I love you but your loving has gone forever
Mi say mi love don't gone nowhere forever
Boy, I miss you but your loving has gone forever
Why baby say? You know I'm all clever, you know?I say I love you but your loving has gone forever
A fi mi love, it don't gone nowhere forever
Boy, I love you but your loving has gone foreverSay baby girl, you have a-no respect
The things you do to boy I never forget
'Bout telling all those dreadful lies
Baby for one ting I could never denyYou say my loving has gone, baby but I love you forever
Here, let me tell you
You said you love me but you love a next one better
Who do you prefer?You said you love me but you love a the next one better
You said your loving has gone, but, I love you forever
Hear me, me will tell ya
Tell me who you prefer?

The things you do me I never forget
'Bout telling I man all of them lies
But still one ting I could never denyBoy, I love you but your loving has gone forever
(I say my love no gone no way forever)
Boy, I miss you but your loving has gone forever
(My love is right here to stay)
I say I love you but your loving has gone forever
(Never, never, never)

Boy, I love you but your loving has gone foreverHow could you say that you were gone
When this thing really just begun?
I started to have some fun as I will tell ya
So baby, won't you tell I man really what is wrong?Boy, I love you but your loving has gone forever
