Rhythm Of Rain

MÃ£Âª LÃ£Â©E

This picture says so many things.
I wish I never had the nerve to
Say to you, to say to you.
But I could be so many things,
I wish that I could never be in
Front of you, in front of you.

[Chorus]
You say that you never believed.
You say that it's done.
Ohh, you can find a way, through the rain,
The rhythm of the rain (the rhythm of the rain).
Songs from your past will play,
Through the rain, the rhythm of the rain
(the rhythm of the rain).

Falling down in every way and letting go of
Memories, they float away, far away.
Trying hard to keep them mine,
When something's gone you
Never can go home again, home again.

[Chorus]

Don't stop down, the way to breathing.
Don't stop down, the way to breathing.
Hey, just look in the eye, oh
The storm you can fly tonight.

You say, that you never believed.
And you say that it's time.
Oh you can find a way, through the rain,
The rhythm of the rain.
Songs from your past will play,
Through the rain, the rhythm of the rain.
Oh, you can find a way [Repeat: x 5]
Through the rain, the rhythm of the rain.
