

What's Your Name? (2006 Remaster)

Depeche Mode

Sometimes watch you walk the street at midnight
Sometimes i can feel you in the air
Looking good knew you would
All the time i understood Hey you're such a pretty boy
Hey you're such a pretty boy
Hey you're such a pretty boy
You're so pretty Everybody seems to look your way now
(everybody seems to look your way)
Everybody wants to know your name
(hey, hey, what's your name)
Feeling bright just tonight
Hear them say you're out of sight Hey you're such a pretty boy
Hey you're such a pretty boy
Hey you're such a pretty boy
You're so pretty Hey you're such a pretty boy
Hey you're such a pretty boy
Hey you're such a pretty boy
You're so pretty All the boys we got to get together
All the boys together we can stand
We can go never know
All the things we need to show Hey you're such a pretty boy
Hey you're such a pretty boy
Hey you're such a pretty boy
You're so pretty Hey you're such a pretty boy (you're so pretty)
Hey you're such a pretty boy (you're so pretty)
Hey you're such a pretty boy
You're so pretty (p-are-e, double-t-y) Hey you're such a pretty boy
Hey you're such a pretty boy
You're so pretty
