

# Personal

EMM

Don't wanna question if in the morning you'll be here,  
So I'm gonna put my jeans on  
Don't wanna worry, don't wanna wonder if you care  
So I'm gonna put my timbs on,  
Baby it's not that I don't care for you  
But I don't want it to be like this  
I ain't ready to give it all up to you  
So tonight it's just a goodnight kiss When the clock strikes midnight, baby  
I'll be living with no regrets  
Cause when the clock strikes midnight, baby  
I'll be all alone in my bed  
Don't take it personal  
Baby its personal....  
Don't wanna keep messing up in all the same ways  
I made so many mistakes  
Looking back I wish could take them all away  
But God's given me a clean slate  
This is the place where I've always fallen  
The place where I've got to change  
But tonight I hear real love calling  
And I'm so sick of being ashamed  
When I'm ready for love,  
It's gonna be so good  
But I ain't ready for love,  
It ain't personal  
I'm just learning to love myself like I should...  
It's nothing personal
