

# Just War (feat. Gruff Rhys)

## Danger Mouse

All ancient towers will one day crumble to the sea  
When faced by armies  
Intent on rendering obsoleteJust war, just war  
You said it wouldn't hurt  
Just war, just warIs this just war?  
Is this just war?  
The last survivor crawling through the dust  
And furthermore  
Will evolution diminish right in front of usLate September  
I heard the siren call a truce  
But by December  
My head returned into the noose.Just war, just war  
You said it wouldn't hurt  
Goodbye, sleep tight  
Cause surely, it ain't just warThe last survivor crawling through the dust  
And furthermore  
Will evolution diminish right in front of us  
There is just warThe last survivor crawling through the dust  
There is just war  
A contribution till humankind  
Turns to rust
