Release

Timbaland

Alright
Hey! Clap!
Oh, I need you girl
Hey, I really need you
I need you girl
(Let me tell you something)
I think I?m getting a charge
So here the party goes
With all my Gs in the back
Who needs a bodyguard?
I think I need to
Release!
I am out of control, I?m out of body
Release!
I am out of control, who?s here to party?
Release!
I am out of control, I?m out of body
Release!
I am out of control, I?m out of, wait a minute!
Oh! I push, the party starts
Haters can?t even see me
We came to party hard
I think I need to
Release!
I am out of control, I?m out of body
Release!
I am out of control, who?s here to party?
Release!
I am out of control, I?m out of body
Release!
I am out of control, I?m out of, wait a minute!
Who holds the party tracks!
He keeps the party going
The club is over-packed
Look, this can?t wait till mornin'
We?ve got a video
I think we're late for our shoot
We at our video
Hey! These girls ain?t cute!

They want me to do my part
But first I gotta
Release!
I am out of control, I?m out of body
Release!
I am out of control, who?s here to party?
Release!
I am out of control, I?m out of body
Release!
I am out of control, I?m out of, wait a minute!
