

# Twist In the Dark

## Frida

Twist in the dark  
I twist in the dark  
Love is on the wing  
Concorde  
Seems like a groundhog  
Your face could  
Change everything  
With a phone call  
Like a mad dog  
Well it laid me out  
When you told me you'd slept about  
And now I Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate  
Twist in the dark  
I twist in the dark  
My priorities are paradise Love is in the air  
Those arrows are sharp and narrow  
Your face is in a static state  
In a picture that I captured  
Well I broke down  
When you told me you'd slept around  
And now I Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
I twist in the dark  
I twist in the dark  
My priorities are paradise But it wouldn't mean a thing  
If I could only hold you  
Right now, right now  
Finding the train fare  
And the time  
But they're very hard to come by  
If I could kick away the rubbish  
If I could kick it all away I twist in the dark  
I twist in the dark  
I twist in the dark

I twist in the dark  
Twist in the dark I twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
I twist in the dark  
I twist in the dark  
My priorities are paradise Well I broke down  
When you told me you'd slept around  
And now I Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
Twisting in the dark  
Just mean nothing
