

Powerslave (Live in San Jose 26 February 2008)

Iron Maiden

Into the abyss I'll fall-the eye of Horus
Into the eyes of the night-watching me go
Green is the cat's eye that glows-in this temple
Enter the risen Osiris-risen again.[Chorus]
Tell me why I had to be a power slave
I don't want to die, I'm a god, why can't I live on?
When the Life Giver dies, all around is laid to waste.
And in my last hour,
I'm a slave to the power of death.When I was living this lie-fear was my game
People would worship and fall-drop to their knees
So bring me the blood and red wine for the one to succeed me
For he is a man and a god-and he will die too.[Chorus]Now I am cold but a ghost lives in my veins,
Silent the terror that reigned-marbled in stone
Shell of a man God preserved-a thousand ages
But open the gates of my hell-I will strike from the grave.[Chorus]
