Give Me Everything You've Got

Blue Stahli

-VERSE 1-
You take your power from the shock of an ending
Just a figment of the negative space
Manifestation of the things I'm resenting
I spit it back and ask you how does it taste-Chorus-
(c'mon)
Give me everything you got-VERSE 2-
An exorcism of the fallout and the failing
Your only weapon is the fear you project
Underestimated level of intensity
I'll take on anything you try to subject
-BRIDGE-
I'm standing here defiant
Much stronger than you thought
I won't be overtaken
Give me everything you've got
