Behind These Eyes

Adrenaline Mob

You ever feel like you've lost yourself
Hiding behind a life that never found you
You've always lived your life just like you were someone elseYou never gave what you have to give
And love was like a drug and you refused to take it
I believe that is time for me, to let it showHiding behind these eyes
Lies the soul of a broken man
And now I realize
And I finally understand
Oh can you save me?
I begging tonight, 'cause I'm losing this fight
Can you save me?
'Cause I don't wanna be
Just a memoryI never needed anybody else
I never needed anyone to tell me
I believed I could bide my time by never letting go
So many years filled with lonely days
Way down the line I feel my heart is breaking
And I believe it's time for me, to let you knowHiding behind these eyes
Lies the soul of a broken man
And now I realize
And I finally understand
Oh can you save me?
I begging tonight, 'cause I'm losing this fight
Can you save me?
'Cause I don't wanna be
Just a memoryYou are the one, you are my one and only
Never alone you know you're always with me
I'm falling harder every time I'm with you
When we're apart you're on my mind, I need you
Want you to know that I will never hurt you
Want you to know that I will not desert you
I say it time and again...Hiding behind these eyes
Lies the soul of a broken man
And now I realize
And I finally understand
Oh can you save me?
I begging tonight, 'cause I'm losing this fight
Can you save me?
Oh oouhHiding behind these eyes

Lies the soul of a broken man
And now I realize
And I finally understand
Oh can you save me?
I'm down on my knees, I'm begging you please
Won't you save me?
'Cause I don't wanna be
Another memory
Don't wanna be, no, no
Don't wanna be!
