

Leaving Entropia (Epilogue)

Pain of Salvation

[music & lyrics: daniel gildenlow]walk with me
and see the world I see
it is our home
it's where we all belonglife is flair
a brittle dress we wear
a fleeting sigh
but though pointless it may seem...
live as death were but a dreamyou don't have to walk their way
you don't have to watch the show
you don't have to play their game
and you don't have to die to leave entropiaall remains...
forgotten smiles in frames
two fleeting lives cut down to pocket-sizewalk with me
and change the world we see
we'll cease to be
just people passing by
home is where we all get byyou don't have to cry for more
you don't have to have it all
you don't have to win a war
if death is but a dream
then don't let me.....fall asleep
