

# Rules

## Shakira

You have to swear you've got love to love me  
Aah, aah, that will last forever  
Aah, aah, we must have a story  
Aah, aah, with a happy ending  
Aah, aah, so don't ever go away  
And never put aside the things I'm gonna say  
'Cause these are the rules for us  
Use your eyes only to look at me  
Use your mouth only to kiss my lips  
We are branches of the same old tree  
You can laugh only if you laugh with me  
You can cry only if you cry for me  
Don't forget that you're condemned to me  
Oh can't you see you always were, you'll always be  
You used to say I should see a doctor  
Aah, aah, who would keep me busy  
Aah, aah, 'cause a jealous woman never makes it easy

Aah, aah, and you know I'll do for us whatever seems right  
But it may take awhile before I change the rules  
Use your eyes only to look at me  
Use your mouth only to kiss my lips  
We are the branches of the same old tree  
You can laugh only if you laugh with me  
You can cry only if you cry for me  
Don't forget that you're condemned to me  
Oh can't you see you always were, you always were  
So use your eyes only to look at me  
Use your mouth only to kiss my lips  
We are the branches of the same old tree  
You can laugh only if you laugh with me  
You can cry only if you cry for me  
Don't forget that you're condemned to me  
Oh can't you see you always were, you'll always be
