Timebomb

Old 97's

I got a timebomb in my mind Mom
I hear it ticking but I don't know why
I call the police but they don't like me
I hear 'em whispering when I walk byI got a landmine in my bloodline
I'm not immune to getting blown apart
She's like a claymore, that's what she's there for
She's waiting 'round here to get blown apartHaving her on my brain's like getting hit by a train
She's gonna kill me, oh Celeste, oh Celeste
Oh Celeste, oh CelesteI got a timebomb in my mind Mom
It's gonna go off but I don't know when
I need a doctor to extract her
I got a feeling she'd get right back in againI got a timebomb in my mind Mom
I got it badly for a stick-legged girl
She's gonna kill me, and I don't mean softly
I got it badly for a stick-legged girlHaving her on my brain's like getting hit by a train
She's gonna kill me, oh Celeste, oh Celeste, oh Celeste
Oh Celeste, oh Celeste
