

# Up From The Skies

## Jimi Hendrix

I just want to talk to you  
I won't uh, do you no harm  
I just want to know about your diff'rent lives  
On this is here people farm  
I heard some of you got your families  
Living in cages tall and cold  
And some just stay there and dust away  
Past the age of old.  
Is this true ?  
Please let me talk to you.  
I just wanna know about  
The rooms behind your minds  
Uh do I see a vacuum there  
Or am I going blind ?  
Or is it just uh, remains of vibrations  
And echoes long ago ?  
Uh things like "Love the world" and uh  
Uh "Let your fancy flow"  
Is this true ?  
Please let me talk to you  
Let me talk to you.  
I have lived here before  
The days of ice  
And of course this is why  
  
I'm so concerned  
And I come back to find  
The stars misplaced  
And the smell of a world  
That is burned  
A smell of a world  
That is burned.  
Yeah well, maybe, hmm...  
Maybe it's just a... change of climate  
Hmm, hmm...  
Well I can dig it  
I can dig it baby  
I just want to see.  
So where do I purchase my ticket ?

I'd just like to have a ringside seat  
I want to know about the new Mother Earth  
I want to hear and see everything  
I want to hear and see everything  
I want to hear and see everything  
Yeah...  
Aww, shucks  
If my daddy could see me now  
Everything, everything, everything, oh everything.
