

# Mirror Mirror (Acoustic)

M2M

Mirror mirror lie to me  
Show me what I want to see  
Mirror mirror lie to me Why don't I like the girl I see  
The one who's standing right in front of me  
Why don't I think before I speak  
I should have listened to that voice inside me  
I must be stupid must be crazy must be out of my mind  
To say the kind of things I said last night Mirror mirror hanging on the wall  
You don't have to tell me who's the biggest fool of all  
Mirror mirror I wish you could lie to me  
And bring my baby back, bring my baby back to me Mirror mirror lie to me  
Show me what I want to see  
Mirror mirror lie to me  
Show me what I want to see Why did I let you walk away  
When all I had to do was say I'm sorry  
I let my pride get in the way  
And in the heat of the moment I was to blame  
I must be stupid, must be crazy, must be out of my mind  
Now in the cold light of the day I realize Mirror mirror hanging on the wall  
You don't have to tell me who's the biggest fool of all  
Mirror mirror I wish you could lie to me  
And bring my baby back, bring my baby back to me If only wishes could be dreams  
And know my dreams could come true  
There would be two us standing here in front of you  
If you could show me that someone that I used to be  
Bring back my baby, my baby to me Mirror mirror hanging on the wall  
You don't have to tell me who's the biggest fool of all  
Mirror mirror I wish you could lie to me  
And bring my baby back, bring my baby back to me Mirror mirror hanging on the wall  
You don't have to tell me who's the biggest fool of all  
Mirror mirror I wish you could lie to me  
And bring my baby back, bring my baby back to me Mirror mirror lie to me  
Show me what I want to see  
Mirror mirror lie to me  
Mirror mirror lie to me  
Show me what I want to see  
Mirror mirror lie to me
