

Strings and Attractors

How to Destroy Angels

A million lies that now define
Us all together
A new ideal, all so real
Like I remember And sometimes I
 Get lost in time
 Sometimes I fear
I'm lost in here All these little strings
 Holding us together
 All these precious things
 Can make them last
 All these little strings
 Keep holding us together
 All these precious things
Make them last forever So very slow
 You'd never know
 The moment fading
 We watch the end
 Over again
And keep repeating I feel like I'm
 I feel like I'm
 I feel like I'm
Just disappearing All these little strings
 Holding us together
 All these precious things
 Can make them last
 All these little strings
 Keep holding us together
 All these precious things
 Make them last forever
