

# Easy to Love

Cole Porter

I know too well that I'm just wasting precious time  
In thinking such a thing could be: you could ever care for me  
I'm sure you hate to hear that I adore you, dear  
But grant me, just the same, that I'm not entirely to blame  
For you'd be so easy to love  
So easy to idolize all others above  
So sweet to waken with  
So nice to sit down to eggs & bacon with  
We'd be so grand at the game  
So carefree together that it does seem a shame  
That you can't see your future with me  
Cause you'd be, oh so easy to love  
You'd be so easy to love  
So easy to idolize all others above  
So worth the yearning for  
So swell to keep every home fire burning for  
Ah, how we'd bloom, how we'd thrive  
In a cottage for two, or even three, four or five  
So try to see your future with me  
Cause you'd be oh so easy to love
