Before Butterfly's Wings

Something for Kate

living inside a barrel
a thousand years earlier than expected
poor unfortunate one
they're all standing in your sun
like that's just so unexpected
hey ooh
and now i wake up to the sounds of video games
there's a line
run for your life
before butterfly's wings
bring down everything
and staring into teacups
try to bring it all a little closer to something
nowhere, nothing
don't cry at me
cry at the movie screen
and keep your ticket torn in your pocket for the next six weeks
hey ooh
there's a line
run for your life
before butterfly's wings
bring down everything
everything (x3)
what you do for now
will it do for now?
what you do for now
