Love Like This

Carlene Carter

Oh love
Oh loveA king would trade his finest crown
For love, love like this
And warriors have laid weapons down
For love, love like thisHearts will break a thousand times
For love, love like this
And arms will wait a thousand nights
For love, love like thisLove may come and love may go
But here inside your arms I know
That only you will ever show me
Love like thisOh you and I have finally found
A love, love like this
A place to lay our burdens down
In love, love like thisAnd hearts can speak without a sound
In love, love like this
What makes the world keep turning 'round
Is love, love like thisLove may come and love may go
But here inside your arms I know
That only you will ever show me
Love like this, yeahWhoa, whoa love
Love like thisThe moon has never shown before
On love, love like this
And I have never wanted more
Than love, love like thisWhoa a love, love like this
Whoa a love, love like thisWhoa, whoa love
Whoa love, yeah
