Red Hot

Debbie Gibson

VERSE 1:
Your flame is burning deep in my soul
Saying I was half now I'm whole
I can't believe it (believe it)
I know you see it (see it)I know your love would quench my desire
I know your love would light me on fire
I feel your heart burning, burning
Don't you know I'm yearning, yearningCHORUS:
Red hot, red hot
Baby you're red hot, red hot
I need your love
Like a flame needs a fire
Red hot, red hot
Your love is red hot, red hot
Baby your heart fulfills my desireVERSE 2:
Oh baby you're just radiating to me
Your heart just burns right through me
Oh you can start me gleaming, gleaming
Feels just like I'm dreaming, dreamingCHORUSRed hot, red hot

I need your love
Like a flame needs a fire
Red hot, red hot
Baby you are so...
Baby you're red hot, red hot (your love)

Red hot, red hot
Baby you're red hot, red hot
I need your love
I need your fire
