## Within the Ruins

Whatever life holds in store for me,  
I will never forget these words:  
With great power comes great responsibility  
This is my gift, my curse  
My story is not for the faint of heart  
An entire life built in tragedy  
And if was all my fault  
Some say they don't want to own it  
People like me  
We don't get a choice  
Take what's thrown at you head on  
Head on!  
My story is not for the faint of heart  
An entire life built on tragedy  
This means everything  
The love, the horror and all in between  
This means everything  
The love, the horror and all in between  
Whatever life holds in store for me,  
I will never forget these words:  
With great power comes great responsibility  
This is my gift, my curse  
Courageous, self sacrificing  
I believe there's a hero in all of us  
That keeps us honest, that gives us strength,  
Makes us noble and allows us to die with pride  
Allows us to die with pride  
My story is not for the faint of heart  
An entire lie built on tragedy  
My story is not for the faint of heart  
An entire lie built on tragedy  
Built on tragedy  
Built on tragedy  
I must answer my calling  
It is what's expected of me  
I must answer my calling  
It is what's expected of me  
I must answer my calling  
It is what's expected of me.
