Strange Tidings

Albert Hammond, Jr.

Let's just wait here,
I got so confused,
But I left you in the morning when the news was ran the new.I won't go back again,
My hours are through,
And though she's on amends,
There's nothing we can't do.Watch what you say, if I'm guilty
I will pay
Watch how it goes, if I'm guilty
It'll show
So watch, what you say if I'm guilty
I'll walk away.I will wait here,
for an hour or two
Cause you left me in the bedroom, when there's
other things to do.Watch what you say, if I'm guilty
I will pay
Watch how it goes, if I'm guilty
It'll show
So watch, what you say if I'm guilty
I'll walk away.Controlling is,
So hard to fight,
I can't believe,
I've lost my mind,
I need you now,
I need you then,
On and on,
Where are my friends?
