

Inward Movement

GOJIRA

Slow inside I take my time
Will come and fill the empty space
My wound I'll nurse I'll understand
My pain one day will disappearThe land beyond is deep within
I took the path & I cannot go back
I've just connected myself with I
But I don't know me that well as you seeCover the distance
Find my worldI walk inside to the heart of my kingdom
Climb up a mountain and stand on the top of it
I am the king and I am the servant
Follow the rules of loving mighty power
