Not for You

Red Fang

We share this shimmering black pain
Our pride and joy in suffering
HÃ¼zÃ¼n, hÃ¼zÃ¼n I call your name
I know you know we are the sameHe wants it all
She wants it all
They want it all
But there's a wall
He wants it all
She wants it all
They want it all
But they will falterWe swim the sea of suffering
Bathed in the joy of our black pain
HÃ¼zÃ¼n, hÃ¼zÃ¼n I call your name
I know you know we are the sameHe needs her closer
(Like anybody else)
And she's longing, too
(Like anybody else)
But she's made her mind up
(Like anybody else) and it's
Not for youYou gotta find your way out
This ain't working out
You gotta find your way out
It's not workingYou gotta find your way out
This ain't working out
You gotta find your way out
It's not workingIt's not working
It's not working
OutHe needs her closer
(Like anybody else)
And she's longing, too
(Like anybody else)
But she's made her mind up
(Like anybody else) and it's
Not for you
